Denmark will facilitate the visa applicants if they should participate in the World Congress in 2025 through the Apimondia International Federation of Beekeepers Associations.

The applications will be facilitated according to the visa rules valid at the time of the Congress.

It should be noted that the vast majority of the participants will not need a visa to visit Denmark.

It should also be noted that the Danish Immigration Authorities and the Danish Ministry of Foreign Affairs should be informed a least 6 months before the Congress takes place if it will be organised in Denmark.

Kind regards

Ministry of Foreign Affairs  
Kim Christiansen
